

Friday 10th February 2023

“This week has seen the next phase of our OPAL (Outdoor Play and Learning) programme with the completion of our All-Weather Pitch. The children have been thrilled to play on it, along with all of the other OPAL loose play that you kindly donated. However, we are on the look out for more! If you have any old toys, bikes, scooters or other play equipment lying in the house, then please feel free to donate! Have a good weekend, remember the next week is our last of this half term. “

Mr D. Paton, Headteacher

PTFA MEETING - MONDAY 13TH FEBRUARY - 5.30PM

The next meeting of the PTFA will be held this Monday at school at 5.30pm. During this meeting we have lots of exciting forthcoming events to discuss such as our annual Mothers' Day Shop, our Noughties Disco and other events for the children. Please feel free to come along and join us. You don't need to be a parent of a child in school - we welcome new members including other relatives including grandparents.

YEAR 3 BIKEABILITY - LEARN TO RIDE

CLASS 3H = GROUP 1 = MONDAY 13TH FEBRUARY + GROUP 2 = TUESDAY 14TH FEBRUARY

CLASS 3L = GROUP 1 = WEDNESDAY 15TH FEBRUARY +

GROUP 2 = THURSDAY 16TH FEBRUARY

Year 3 will complete their Bikeability - Learn to Ride Sessions next week. The children do not need to be able to ride a bike to participate in these sessions. However, the instructors have requested that if your child's bike has stabilisers on it then these are removed prior to their session. During the lesson the instructors will then teach the children to ride safely. The class will be split into smaller groups of 3. Half of the class will complete their Bikeability on Monday and the other half on Tuesday. The other class will then do the same on Wednesday and Thursday. Parents have received an email informing them which day their child will participate and they should just bring their bike into school on this day and it can be taken home that evening. The children should wear their PE kits on the day they will be doing Bikeability.

HOUSE DAY - FRIDAY 17TH FEBRUARY

Friday 17th February will be our half term House Day celebration. During this day the children will participate in a number of activities linked to our school values of AMBITION, ENTERPRISE, INNER RESILIENCE, COLLABORATION AND UNDERSTANDING within their House Teams. The children should come to school on this day wearing their school PE kit but replacing their PE top with a t-shirt of their house colour. Appleton = Red, Ditton = Blue, Farnworth = Green and Upton = Yellow. If you are unsure what house your child is in then please contact your child's class teacher directly. Siblings are in the same house as each other.

CLASS 3L ASSEMBLY - FRIDAY 17TH FEBRUARY

Parents and Carers of children in Class 3L are invited to their class assembly on Friday 17th February at 2.30p.m in the school hall. As it is House Day on the same date the children should still come to school wearing their school PE kits and house coloured t-shirt, which they will wear for the assembly. Parents do not require tickets for the assembly or to book a place.

Y1 WALKER ART GALLERY AND WORLD MUSEUM TRIP = RE-ARRANGED TUESDAY 14TH MARCH

Unfortunately, due to the closure of the Walker Art Gallery on Wednesday 1st February our Year 1 trip was postponed. This trip has been re-arranged for TUESDAY 14TH MARCH.

All of the previous arrangements for the trip will remain the same. If you had been chosen to attend as a parent helper and are no longer available then please just let your child's class teacher know you are no longer available.

YEAR 6 - MACBETH IN A DAY = MONDAY 13TH FEBRUARY / TUESDAY 14TH FEBRUARY

Year 6 will have their Altru theatre workshop on Monday 13th February or Tuesday 14th February next week. This will complete their Macbeth unit of work as during the workshops they will perform the play in a day to consolidate their understanding of the text.

YEAR 4- PAN PROJECT - A STEP THROUGH TIME

From Monday 13th February at 4pm the children in Year 4's Pan Project work will be displayed at Runcorn Shopping City alongside work from other schools across Halton representing the theme of 'A step through time'. Please go along and have a look if you can.

PARENTS' CONSULTATION EVENINGS

Our parent consultation meetings will take place in our school hall during the first week back of the Spring 2nd Half Term on: **Tuesday 28th February and Thursday 2nd March.**

During these meetings parents will be given the opportunity to visit their child's classroom and look at their books before a 10 minute meeting with their child's class teacher in the hall. Please book an appointment using the Parent's Evening Booking System, following the link on the school website for your child/children. The booking system is already open. If you are a two household family and require separate appointments please contact the office directly.

Y6 YORK DEPOSIT PAYMENT

Thank you to the parents who have completed the Evolve indicating whether their child would like to go to York. Please ensure that the £40 deposit has been made for to confirm this place by Friday 17th February so we can make bookings to confirm the price of the trip.

Diary DATES

SPRING 1ST HALF TERM

SPRING 1ST HALF TERM

Monday 13th February – Thursday 16th February – Bikeability Learn to Ride – Y3

Monday 13th February = Class 6H Macbeth in a Day

YEAR 4 = Daisy Steventon
YEAR 5 = Luke Cameron
YEAR 6 = Olivia Lockett

OTIS AWARD WINNERS

Since September 2022 is 95%
This term – 97.5%

EYFS / KS1 Winners – 1L – 98%
KS2 Winners – 5H – 98.7%

Both classes will have an extra break next week as a reward.

HEADTEACHER AWARD

EYFS / KS1: Lucy Owen – Fantastic phonics skills
Teddy Callender – Brilliant Historical knowledge
Jaxon Campbell – fantastic writing skills!

KS2 – Georgia Ianson – giving 100% in all areas of school!
Briar-Rose Salmon - For sharing alternative Maths methods with the class.

KEY STAGE 1

Class	Name of child	Reason for award
RL	<i>Dexter Davenport</i> <i>Jenson Knight</i>	<i>Curriculum – For your great focus and detailed pictures in Drawing Club! You always enjoy sharing what your drawing shows from our story and have a go at different mystery marks!</i> <i>Understanding – For your explanations and drawings about different number bonds to 4,5 and 6!</i>
RH	<i>Max Harrison</i> <i>Madeleine Mitchell</i>	<i>Curriculum – great engagement in all lessons!</i> <i>Understanding – for always being kind and helpful around the classroom</i>
1L	<i>Georgia Pearce</i> <i>Archie Connor</i>	<i>Curriculum – For always taking pride in the presentation of her work.</i> <i>Understanding – For explaining his understanding and making learning links during lessons.</i>
1H	<i>Olivia Hughes</i> <i>Ethan Escosio</i>	<i>Curriculum – For carefully following the music notes to play ‘In the Groove’ on the glockenspiel!</i> <i>Understanding – For demonstrating great understanding of other’s feelings and being such a supportive friend!</i>
2L	<i>Henry Kinsella</i> <i>Chloe Wong</i>	<i>Curriculum – For good participation in our History lesson this week.</i> <i>Understanding – For good progress in Maths arithmetic.</i>
2H	<i>Joshua McDermott</i> <i>Charlotte Pye</i>	<i>Curriculum – For his great progress with his handwriting.</i> <i>Understanding – For always being a kind and caring member of our class and consistently considering her friends feelings.</i>

KEY STAGE 2

Class	Name of child	Reason for award
3L	<i>Will Price</i> <i>Henri Coady</i>	<i>Curriculum – Great understanding using scratch to <u>code</u></i> <i>Understanding – Understanding that his acting skills will help others to improve themselves.</i>
3H	<i>Mila Hewitt</i> <i>Scarlett Murnane</i>	<i>Curriculum – For demonstrating brilliant knowledge of our new maths topic, fractions.</i> <i>Understanding – For writing and showing a brilliant understanding of how to write instructions.</i>
4L	<i>Bobby Fitzsimons</i> <i>Lorin Yolcu</i>	<i>Curriculum –: For pushing himself in everything that you have done in class this week.</i> <i>Understanding – For being an excellent role model of our classroom expectations, always being ready to listen and learn.</i>
4H	<i>Oscar Bennet</i> <i>Oliver Keating</i>	<i>Curriculum – for demonstrating great determination in progressing in his tennis and hockey skills. He made a fantastic partner in our tennis doubles!</i> <i>Understanding – for understanding that our puzzle books are an opportunity to show our best self, try our best and believe in our ability.</i>
5L	<i>Harry Gerrard</i> <i>Carly Flanagan</i>	<i>Curriculum - For pushing himself out of his comfort zone to make excellent progress in his writing.</i> <i>Understanding - For further developing her ideas in Maths by using technical vocabulary to explore ideas.</i>
5H	<i>Sienna Graham</i> <i>Lexie Jones</i>	<i>Curriculum – For always treating others with so much respect. Sienna is a role model for everyone!</i> <i>Understanding – Showing great understanding in her DT project creating a fantastic design using CAMS</i>
6L	<i>Leonardo Mecklenburgh</i> <i>Poppy Parr</i>	<i>Curriculum – <u>Leo</u> always engages in lessons and shows great desire to get involved and learn more. He is always enthused and ready to add to his learning experience. Well done, Leo!</i> <i>Understanding – Poppy has shown such great understanding this week not just in terms of her learning but also in terms of her own worth. She knows that she can achieve great things when she believes in herself. Keep up the hard work and keep being positive!</i>
6H	<i>Miya Cunningham</i> <i>Aimee Cooper</i>	<i>Curriculum — Writing a detailed explanation about a global issue in Geography.</i> <i>Understanding — For showing brilliant dedication to improve her understanding with extra revision at home.</i>

elyfs newsletter

Firstly, thank you for all of your support with the costumes for Number Day last Friday- the children looked magnificent! We had lots of fun with number and finished the day with our sponsored skipping challenge. Any sponsorship for this can be submitted via School Gateway.

Why is it useful to have hospitals?

Our Big Question this week has been ‘Why is it useful to have hospitals?’

The children have love role playing as doctors, nurses, dentists and other health care professionals. We have discussed the jobs people do in hospitals, how we can keep our bodies as healthy as possible ourselves and also how best to look after our teeth.

Mathematics

In Maths this week the children have been looking closely at addition and have represented this concept through part whole models. We have also worked on securing our number bonds to 5, 4 and 6 through the challenge of some ‘missing part’ addition equations where children have had to find the other ‘part’ when the total is known- a very big well done all round!

Phonics skills

The children are making excellent progress with their Phonics skills. Please can you ensure your child has their book bag in school each day with their reading book and diary so we can check in with their progress and change their reading books when needed-thank you.

Imagine That Trip

Please ensure all items of clothing are named, we have had some accidental uniform swaps taking place again. Also please note the reminder on Tapestry regarding cutting grapes in half for packed lunches. Information has now been sent via an Evolve about our trip to Imagine That! Please give permission via Evolve and payment can be made in the usual way, thank you.

We are heading towards the end of another busy half term and the children are definitely getting tired so we hope you all manage a restful weekend!

THIS WEEK

YEAR 1 - FOREST

LEARNING

THIS WEEK

YEAR 1 - CONTINUOUS PROVISION.T

We have loved completing lots of our classroom challenges during continuous provision this week!

PARENT SUPPORT

HALTON HEALTH IMPROVEMENT

Fit 4 Life Bite Size Sessions

START WELL

Join us for our 1-hour parent/carers workshops:

SLEEP & SCREENS

Did your children sleep well last night? In this session we will explore how the length and quality of sleep can affect us and our children. Pick up new tips and ideas to promote good quality, restful sleep. We will also look at how screens affect our children, and share ideas for managing screen time better.

FUSSY EATING & SNACKING

Is your child a fussy eater? It's easier said than done to get children to try new foods. In this session we will share tips and techniques to encourage your child to eat more variety. We will also talk through the steps to food acceptance. We'll share healthy snack ideas as we look at alternatives to sugary snack favourites.

MENTAL HEALTH & EMOTIONAL WELLBEING

Everyone has mental health and looking after your child's mental health has never been so important. This workshop is based on the 5 ways to wellbeing and will give you tips and advice for supporting your child's mental health. We'll share resources and techniques to promote positive mental health and build resilience.

These workshops are for parents and carers. **Choose from the following sessions:**

Online sessions via Microsoft Teams

Mental Health & Emotional Wellbeing		Fussy Eating & Snacks		Sleep & Screens	
		Monday 16 th January 2023	1pm	Wednesday 18 th January 2023	11am
Wednesday 1 st February 2023	6pm	Wednesday 8 th February 2023	6pm	Wednesday 15 th February 2023	6pm

Halton Lodge Children's centre sessions

Wednesday 8 th March 2023	10am	Wednesday 15 th March 2023	10am	Wednesday 22 nd March 2023	10am

ChatHealth

Have you heard of ChatHealth?

ChatHealth

ChatHealth is the Halton 0-19 service digital text messaging service. It is a free and confidential service which enables all parents of children aged 0-19 to contact a health visitor or school nurse for advice and support relating to any health or wellbeing concerns they may have.

Young people aged 11-19 can text a school nurse to seek advice and support for any health and wellbeing concerns.

For more details visit www.chathealth.nhs.uk

FANCY DRESS IF YOU DARE!

OO's Night

Drumroll please.....we are thrilled to announce the return of our famous social night. Sadly these events were curtailed by Covid for the last few years, but following our brilliant 80s and 90s events in 2019 and 2020, we're back for 2023 with noughties night!

Tickets are on sale via the School Gateway at the bargain price of £10pp including food.

So book your babysitters for the 10th March, dust off your combats and crop tops and head to the Jaguar Sports and Social for a night of noughties nostalgia.

Invite your friends, families and neighbours, dance like you're in your teenage bedroom and make a night to remember.

Look out on social media for more information and if you have any queries email luntsheathPTA@yahoo.com

HOMework

Homework is a vital part of your child's learning giving them the chance to consolidate the knowledge and skills they have learnt in school. Moving forwards teachers will be using the Seesaw app (used during lockdown) in conjunction with Maths and Spelling Shed to set homework. Your child has their personal Seesaw and Maths/Spelling Shed log ins stuck into their homework diaries to allow them to access these sites. Homework will be set on a Tuesday each week. Please help your child to access both Seesaw and Ed Shed. If you have any issues logging in then please contact your child's class teacher directly and they will resolve this for you. Further information about EdShed can be found on the following pages

Guide for Families

Support Learning at Home

In 3 easy steps, create a supportive home learning environment for your child when they are prevented from going to school.

1

Get Seesaw on Your Home Device

On a tablet or mobile device, download the Seesaw [Class app](#)
On a web browser, bookmark [app.seesaw.me](https://seesaw.me)

NOTE: The Seesaw Class app is different than the Seesaw Family app. Students use the Class app to learn at home. Check to make sure you download the right app.

2

Help Your Child to Sign In

Click 'I'm a Student'

Type the text code or scan the QR code provided by your child's school (Follow instructions at <https://seesaw.pub/signincode>)

Don't have a code? Your child may sign in with an email address or through Clever or ClassLink. Follow sign in instructions from your child's school.

3

Support Your Child to Complete Activities

In the Class app, click the  Activities tab to see assignments

Click  to complete an Activity

Click the  Check to submit work

Watch a Class app tutorial at <https://seesaw.pub/GSVideos>

Remote Learning FAQs for Families

Why isn't my child's sign in code working?

Check to make sure: 1) You are in the **Class app** or on [app.seesaw.me](https://seesaw.me), 2) You clicked 'I'm a Student', 3) You typed the sign in credentials without errors and/or are holding the QR code far enough away so the entire code is scanned. If you continue to encounter problems, reach out to your child's teacher.

Why does my child have multiple sign in codes?

Your child's teachers may be using the free version of Seesaw. Each code signs your child in to a different class. Your child needs to sign out each time they need to switch classes. We recommend hanging each code in your home learning space for easy access.

What can students do in the Class app?

Students can use Seesaw Learning Tools to post to their Journal, respond to Seesaw Activities, and see comments from their teacher. They should not be able to see other students' work while at home. If your child can see other students' work, please alert the teacher.

I have multiple children who need to use Seesaw. How can they share a device?

Your children will need to sign out each time they use Seesaw so the other can sign in. Print your child's sign in code or credentials and post them in your home learning space for easy access.

Why can't students just use the Family app at home?

The Family app is for families to see their child's work and communicate with the teacher. Students cannot respond to Activities or post to their Journals from the Family app. Students must use the Class app to learn at home.

How do I best support my child when learning from home?

Here are some student- and family-tested tips:

- + Create a distraction-free home learning space with your child:** Your child's focus is influenced by noise, conversation, electronics, and interest in the activity. Do your best to eliminate distractions.
- + Create a consistent routine for learning at home:** Routines make children feel safe, especially during times of change. Plan for 3-4 hours of learning time, since there are fewer transitions at home than there are in school. Make sure to build in time for movement, brain breaks, chores, and fun!
- + Know that you do not need to replace your child's teacher:** Provide encouragement, support, and positivity. Focus on your child's emotional health and relationships with others, and reach out to your child's teacher when your child needs academic support.
- + Look for learning moments in everyday life:** See the next page for ideas!

MULTIPLICATION CHAMPION

TOP CLASS = CLASS 2L
TOP MATHEMATICIAN =
ELLIS LAMKIN 4L

Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2nd Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

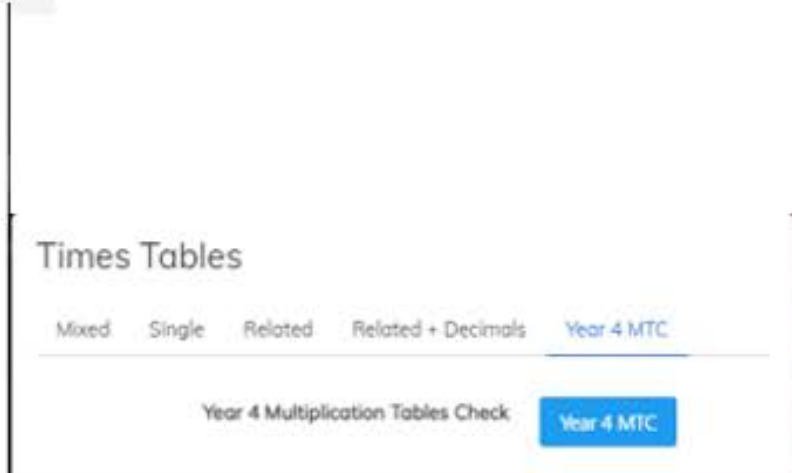

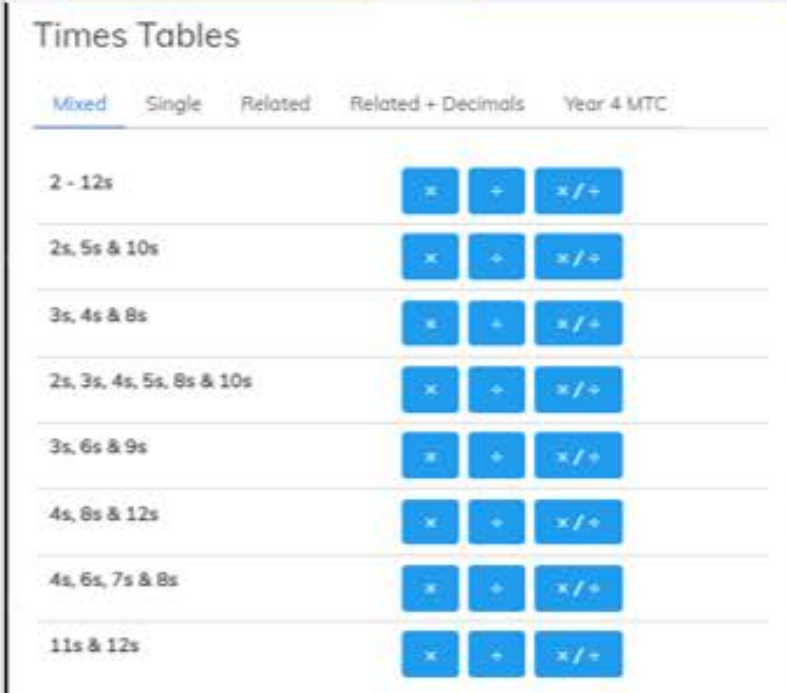

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

TOP CLASS = CLASS 2L
TOP SPELLER =
EMMA HAINES 3L

Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
