HOUSE DAY

The children enjoyed participating in a range of activities for intra house day. These were based on our school values of ambition, enterprising, inner resilience, collaboration and understanding.

Class 1H and Class 5H were our OTIS award winners for this half term and will receive a party after half term.

Our winners of our house competition this half term with the most House Points was UPTON. Congratulations!

elyfs newsletter

On Monday we were amazed to see that the our baby birds had flown the nest and we had our very own fledglings! They spent some time round and about our outdoor area practising their flying skills but now seem to have flown off to pastures new. What an amazing learning opportunity this has given us! The children have been full of awe and wonder and have shown such care around the nest.

“How did your garden grow 100 years ago?”

Our Big Question this week has been ‘How did your garden grow 100 years ago?’ We have enjoyed the story of ‘The Enormous Turnip’ which has also provided the inspiration for Drawing Club this week. We have explored lots of the tools and equipment needed for gardening then moved on to look at pictures of farming in the past and the present. We looked at the clues in the pictures and sorted them into whether we thought they were from the modern day or the past.

Mathematics

In Maths this week we have been focusing on refining our understanding of odd and even numbers. The children have demonstrated amazing understanding and their reasoning in proving their answers has totally blown us away!

Today we say farewell and good luck to Miss Campbell our student teacher, who has been working with us this last half term. The children have loved getting to know her and we wish her well with the rest of her studies.

Please see Evolve for details of our walk to Birchfield Gardens after half term. We are going to explore the different micro habitats and hopefully locate a range of minibeasts! We would be grateful for as many parent helpers as possible to help walk us there and back- thank you!

LUNT'S HEATH PTFA SECRET PRESENT SHOP

16th June 2023

We'll be back with another present shop for your children to buy a gift for an important man in their life.

Gifts cost £2.50 and come wrapped so they can be kept secret!

Payable on the school gateway. One gift per child but if an additional gift is needed this can be requested and paid in cash to the office.

Secret Present Shop

Our Secret Present Shop returns to school on the 16th June. We have a range of gifts for the children to choose from that they bring home wrapped so they can be kept secret. We have a number of generic gifts that can be purchased for any important man in their lives, so dads, step-dads, uncles, grandads, we've got them all covered.

Gifts will cost £2.50 and will be payable on the school gateway.

For our Mother's Day Shop this year we allowed multiple gifts to be purchased on the gateway, this didn't work well unfortunately! So

this time we ask that if you have circumstances where your child needs to purchase two gifts, please request a second gift in the office and pay £2.50 in cash.

Registered Charity Application

We are currently working on our application to become a Registered Charity. This has taken up lots of our time as we have been focussing our efforts on events and ensuring we have the relevant procedures and practices set up for becoming a Registered Charity.

As part of our registration we need to adopt a new Constitution. The Constitution is our governing document. We are therefore holding an Extraordinary General Meeting (EGM) on Monday 12th June

to formally vote on the adoption of this document.

As part of this meeting we will also be accepting nominations for Trustees and voting on these.

If you have any experience of volunteering for Registered Charities and feel you could help or would be interested in being a Trustee in the future, please get in touch at luntsheathpta@yahoo.com.

You are also welcome to attend the meeting on Monday 12th June.

LOCAL AND COMMUNITY HISTORY WEEK ACTIVITIES FOR CHILDREN

LOCAL AND COMMUNITY HISTORY MONTH MAY 2023

May is Local and Community History Month!

The aim of the month is to increase awareness of local history, promote history in general to the local community and encourage all members of the community to participate.

We would like pupils from Lunt's Heath Primary School to get involved in Local and Community History Month during the week of Monday 22nd May. Below, we have listed a variety of activities that pupils can complete and share with their class to promote history in the local area.

- Find 10 interesting historical facts about your local area.
- Interview a relative about the local area and find out how it has changed over the years.
- Research an historical individual from your local area. Who were/are they? When did they live and what are they famous for?
- Find some photographs of your local area from the past. How have things changed and why? Can you match them to recent photos of the local area?
- A House through Time - find out about the history of your house. When was it built and who by? Who else has lived there? What did they do? If your house is a new build, what was there before it?
- Visit the library and conduct your own line of enquiry such as 'How has the High Street of Widnes changed and why?'. Share your findings with peers.

If you would like to share any of your work or findings with school please email Miss Huddleston: rebecca.huddleston@luntsheath.halton.sch.uk

NEXT WEEK

LOCAL AND COMMUNITY HISTORY WEEK

As it is Local and Community History Week in school next week, Miss Huddlestone has created the below suggestions for activities that the children can complete to engage in their local area.

History of Farnworth and Village Walk

1000 years ago, north of the River Mersey was predominately marsh and waste land, however high ground above the water level was seized for settlement. Two miles north of the river, the village of Farnworth and its neighbouring villages were created. The name Farnworth means fern-farm from the Anglo-Saxon 'fearn' (fern or brake).

By the middle of the 19th Century, Farnworth was established as a small industrial town-ship producing sail-cloth and canvas on a large scale. Other associated industries included rope making, cloth dying and linseed oil production.

Attached is a map of Farnworth with locations of significant historical properties around the village. Can you go on a walk around Farnworth Village and find the places? If you complete this historical walk, please take some pictures and send them to Miss Huddlestone (rebecca.huddlestone@luntsheath.halton.sch.uk) or bring your pictures into class.

Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2nd Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

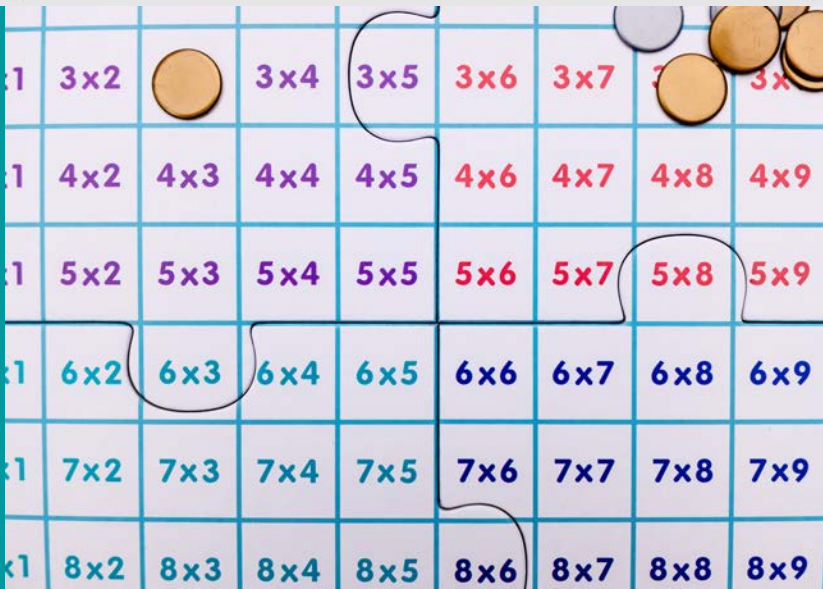

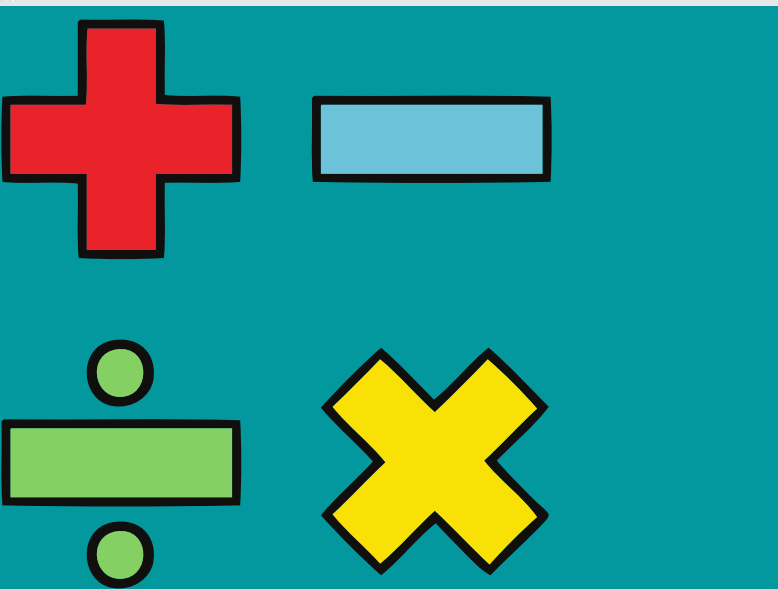

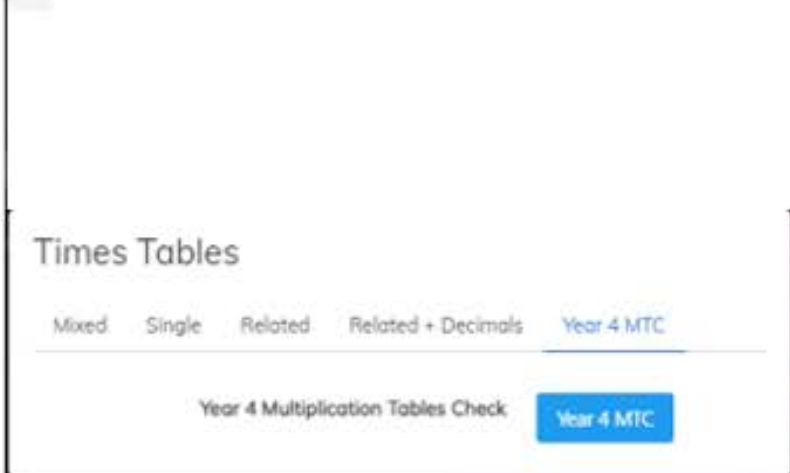

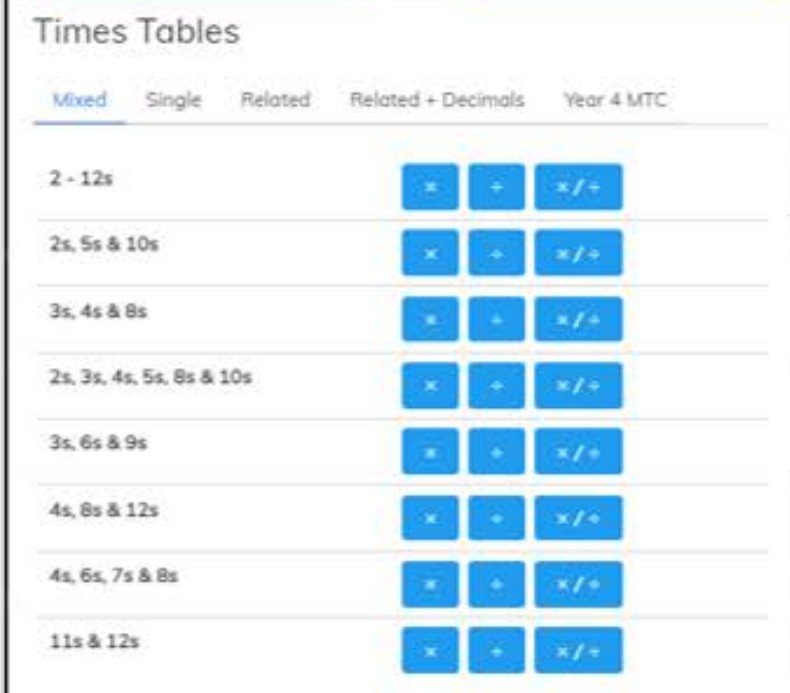

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
