

LUNT'S HEATH

News

Friday 8th March 2024

“ This week, we welcomed our Year 4 parents into school as part of our Parental Workshops. These are designed to give you an insight into what and how we teach the children as well as how they learn best. It has been wonderful to see so many families join us and share the journey that the children are on. This has been joined by our World Book Day celebrations and our, now annual, trip to the Champions League Quarter Finals, to see Manchester City. Thank you for all of your support this week with all of our events – we are extremely grateful for this.

Have a lovely weekend.”

Mr. D Paton, Headteacher

LIVERPOOL MUSEUM'S STRIKE

YEAR 4 = WORLD MUSEUM = RE-ARRANGED FOR THURSDAY 25TH APRIL

YEAR 5/6 = BIBLE TALES = EASTER STORY PERFORMANCE = PM

The children in Year 5 and 6 will receive a visit from the Bible Tales company on Monday afternoon who will do a performance of the Easter Story for them. We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:

Luca for showing Ambition and Inner Resilience

Luca has been a member of Widnes Wild Hockey team for over a year now.

He shows ambition towards this sport, as he is eager to be the best that he can be.

He shows inner resilience because even though at times it can be dangerous, he never gives up!

He has his first hockey match in April and he cannot wait!

EYFS Newsletter

The highlight of this week has definitely been our exciting World Book day. The children loved sharing their stories from home with us and their fabulous costumes! Lots of memories made.

Mathematics

In Maths this week the children have been exploring measurement. We started the week using non-standard units to measure before being introduced to the term 'centimetres' and had a go at using our own simple rulers to measure items using centimetres.

Phonics Skills

The children have adapted well to their new phonics groups and are working hard. I know you will have discussed how best to support your child with their reading with their class teacher but please also see Tapestry for further updates.

Uniform and school rules

Please make sure your child is following our school uniform rules by: wearing a shirt and tie; blue, green or black hair accessories; only gold or silver stud earrings and water not juice in their water bottles.

The Drawing Club

There have been lots of imaginative ideas this week from the children of how to catch the fox from the story 'Chicken Licken'. We have been applying our phonics knowledge and using 'red' words to write a sentence about our fabulous drawings.

We hope you have a lovely weekend and get to enjoy the lighter mornings and evenings.

The EYFS Team

YEAR 5 SPACE CAMP

Year 5 will have the opportunity linked to their current Space topic to have a Space Camp sleepover in the school hall on Thursday 14th March - Friday 15th March (Class 5H) OR Thursday 21st March - Friday 22nd March (5L). Both classes will have a planetarium experience on Thursday 14th March. Space Camp is a programme of residential experiences run by the school to immerse pupils in the amazing world of Space Science.

The children will come to school on the Thursday of their space camp and have a space themed day with their class teacher completing a range of different activities. The children will be given a pre-ordered McDonald's for their evening meal. The children then participate in a range of activities over the evening always including night sky observations, a science workshop, a creative workshop with some physical astronaut training and end their evening with a space cinema event. The children then enjoy hot chocolate and marshmallows before tucking up for the night. It is a very busy evening and they will hopefully fall asleep very quickly.

In the morning the children will be given breakfast before continuing their Space learning with more Space themed learning activities.

CLASS AMBASSADORS

RL

Class ambassador, “I built my own number blocks.”

RH

‘We measured things around the classroom with feet’

This week in Maths we have been exploring measuring with non-standard and then standard units. We used ‘feet’ to measure objects around the room and discovered that items measured differently depending on how big or small our feet were!

CLASS AMBASSADORS 1L

In History we are learning about Queen Victoria and during this week's lesson we were asked to order facts about her life.

1H

We have had a go at drawing some characters from our favourite stories!

CLASS AMBASSADORS 2L

**We have enjoyed DT this week in 2L.
We have been busy working as
engineers to design and make a
working Ferris wheel.**

2H

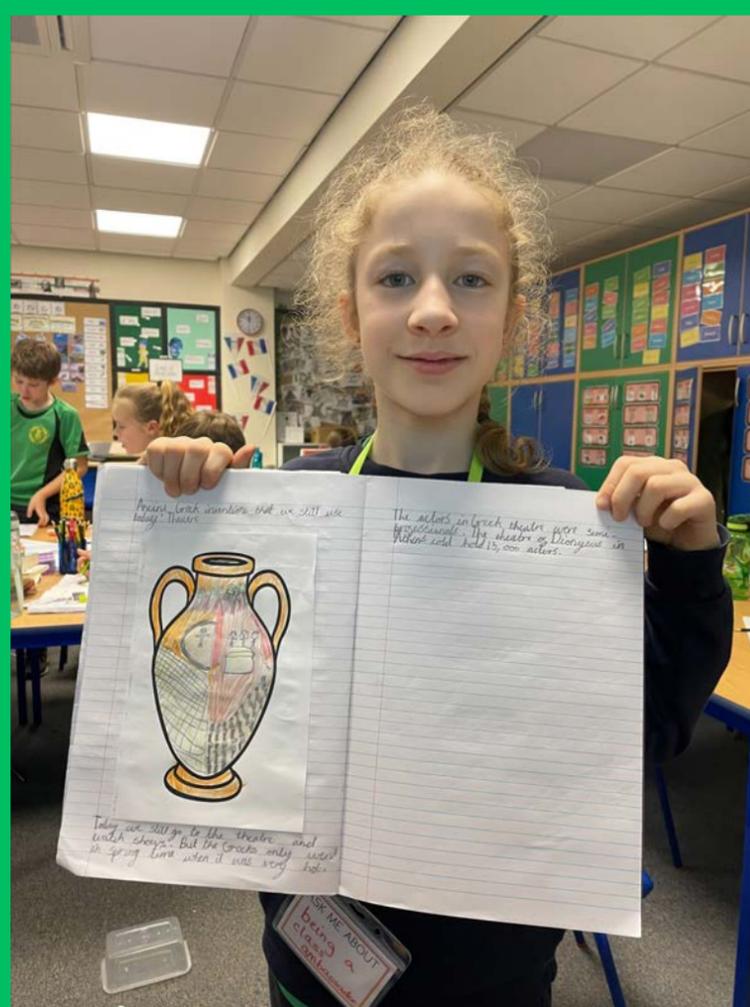

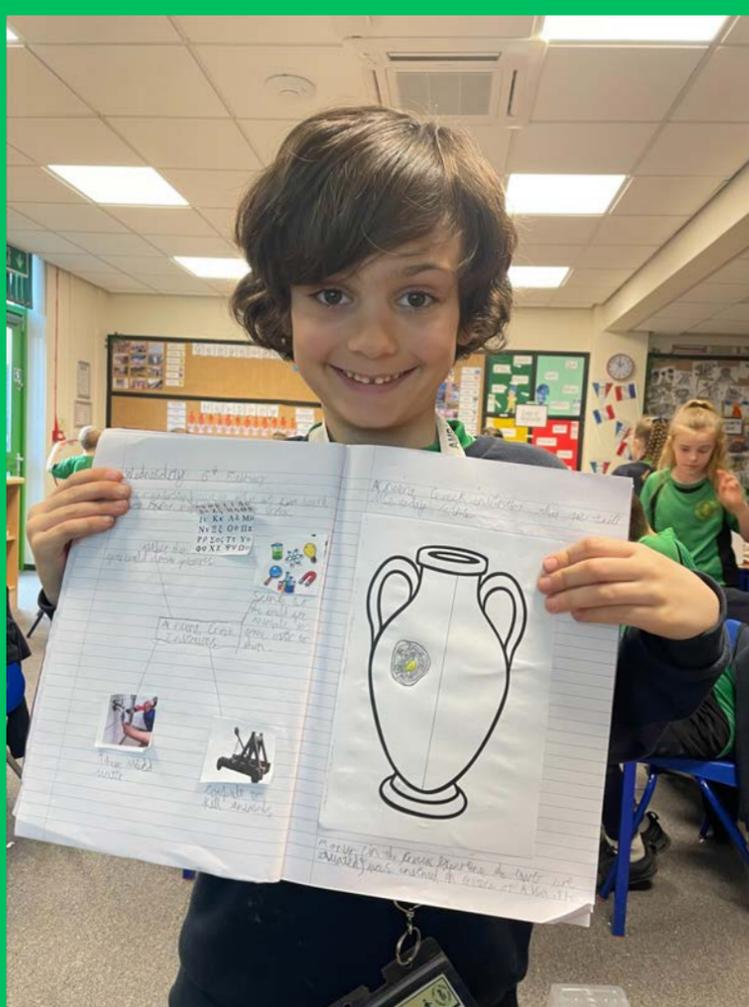

**In DT we have explored suitable
materials to use to build the wheel
and frame for our ferris wheel.**

CLASS AMBASSADORS 3L

We thought the film making was the highlight of the week. We can't wait for everyone to see our film on online safety.

3H

We loved learning about inventions that the ancient greeks created that we still use today. Who knew that they actually invented the alarm clock and the vending machine?

CLASS AMBASSADORS 4L

4L have been making use of their mile time by taking time to chat to one another and enjoy the beautiful weather!

4H

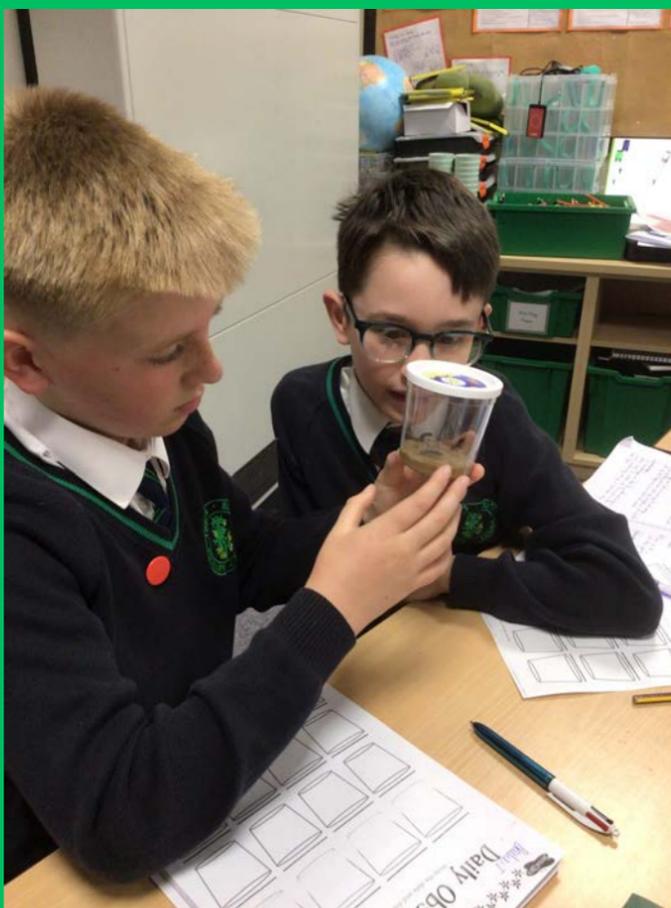

In RE, we used our value of understanding to think about the sacrifices Oscar Romero made for the poor. We created a fact file with interesting facts about him and decorated Romero crosses.

CLASS AMBASSADORS 5L

This week we had some new visitors in class as we welcomed caterpillars as part of our living things topic in Science. We had to use our inner resilience to understand what metamorphosis is as it was difficult to think about how something can change its physical form and structure.

5H

This week in year 5 we got some caterpillars in our class. Each table group got to make them and we named them, Malteasers, Crumpet, Cheesy-wotsit, Hershey and Spikey. Since 1st March we have been observing them, seeing what they look like and how much they have grown. We are very excited to see how they change into butterflies!

CLASS AMBASSADORS 6L

This week, we made our own blood using different food stuffs to represent the parts of our blood.

6H

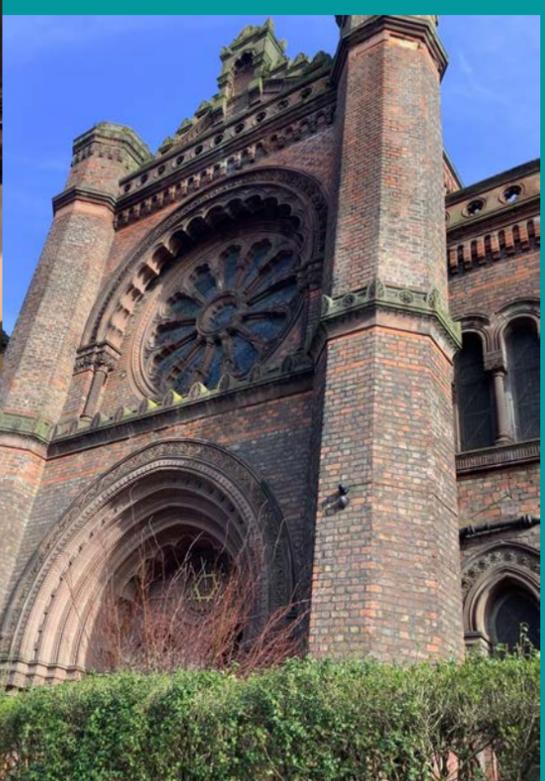

In Science this week, we made our very own model of blood using household items. We calculated the amount of each item needed using their percentage in our blood because using weighing scales and measuring cylinders to take accurate readings.

THIS WEEK

Y1 - SYNAGOGUE AND CATHEDRAL TRIP

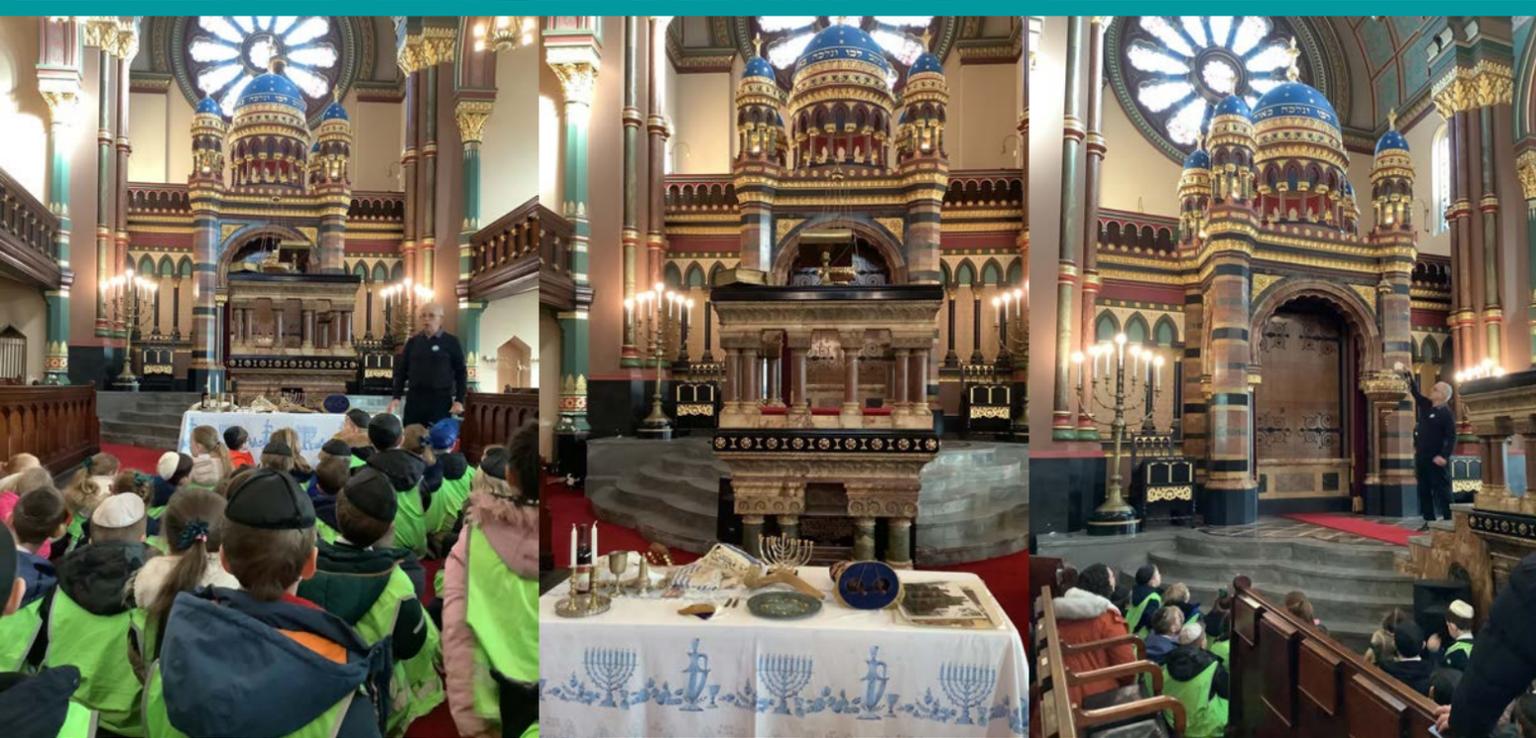

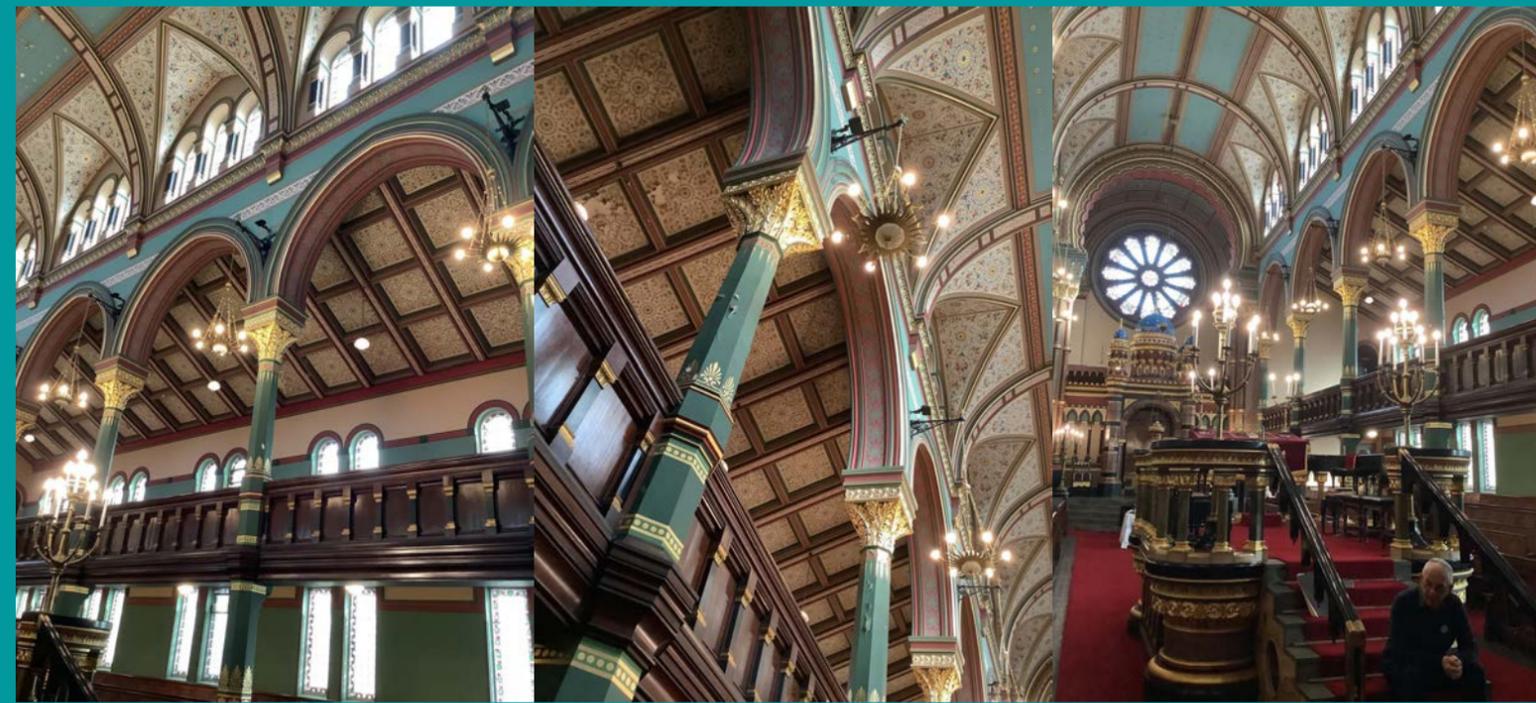

On Tuesday Year 1 enjoyed visiting both the Synagogue and the Anglican Cathedral in Liverpool.

During their time at the Synagogue they explored the building and learnt about the symbols and artefacts linked to Judaism. In the afternoon the children compared the architecture and the significant features within the Cathedral to the Synagogue. They loved drawing what they could see and explaining their sketches to others. The children were so well behaved and loved sharing their experiences of the day.

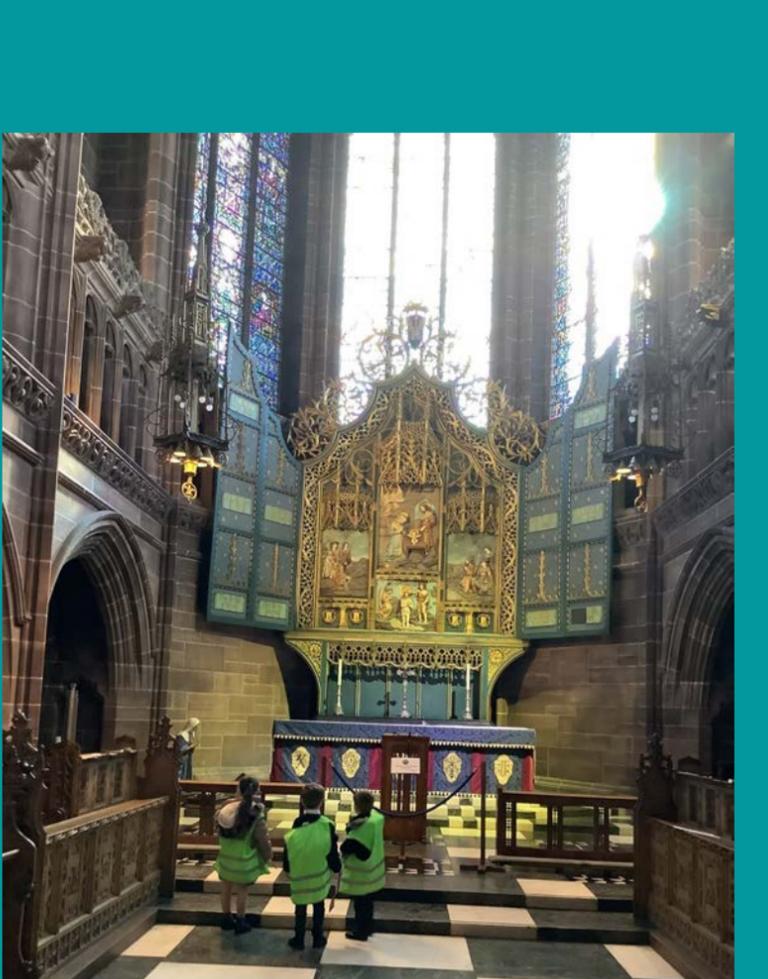

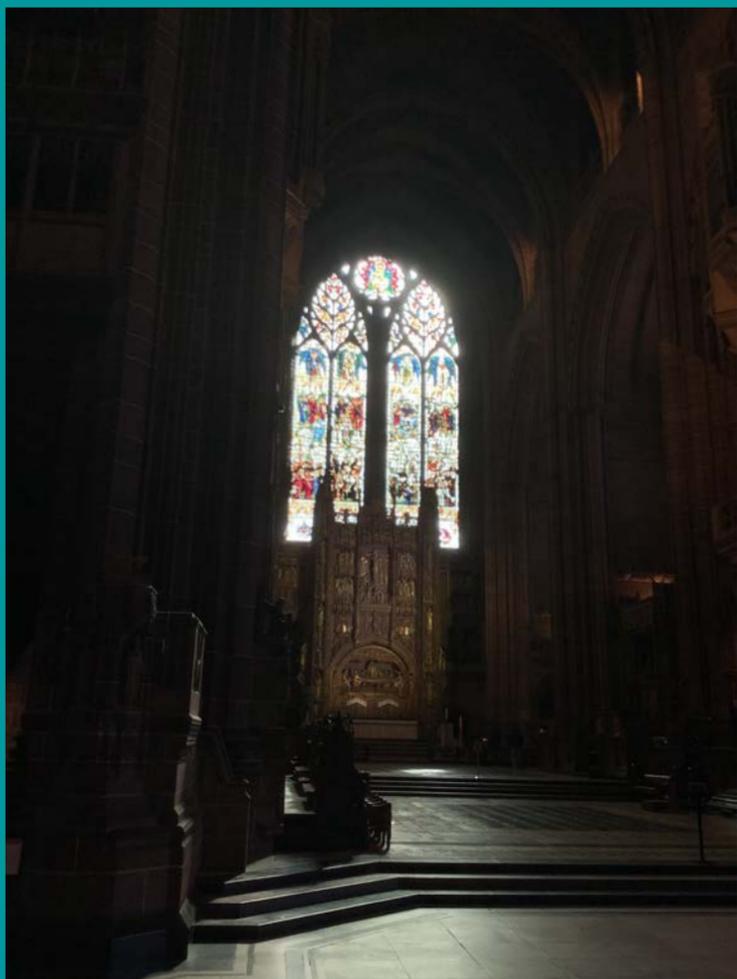

THIS WEEK

Y1 - SYNAGOGUE AND CATHEDRAL TRIP

THIS WEEK

CLASS 4L

Well done to Class 4L who were all superb in their performance of The Pied Piper!

The children all worked incredibly hard, and the acting, songs and dances all made them shine! A big thank you to parents who organised costumes and rehearsed the lines and songs with their children.

CLASS 3L

3L have loved our Taekwondo sessions. This week we have improved our side kicks and self defence techniques.

We were shocked at how tired we got.

We definitely need to work on our fitness!

THIS WEEK

YEAR 6

CHAMPIONS LEAGUE

MANCHESTER CITY VS

COPENHAGEN

Some children from Year 6, had a fantastic time on Wednesday night watching Manchester City versus Copenhagen in their Champions' League match. Mr Paton was especially pleased with the result.

THIS WEEK

UNITED UTILITIES

On Thursday, United Utilities visited school to teach the KS2 children about water; how they can use water; how they can save water and the water cycle.

The children found it fascinating and pledged to help the planet.

THIS WEEK DOJO PRIZE WINNERS

We had a bumper amount of children from Year 4 today who had saved their dojo points to cash in for a McDonald's lunch. 20 in total! Well done Year 4!
