## News

**Friday 19th April 2024**

**“ Our first week of the Summer term has seen so many things already! From Year 3 visiting Port Sunlight, to Judo assemblies, we wanted to hit the ground running to ensure the children continued to develop! The most exciting venture that we have had this week has been our new Edsential Kitchen. With our same, brilliant catering team, the Edsential sparkle has been drizzled on our menus and the children have had a fantastic week. Thank you for all of your support with this new venture. Have a lovely weekend.” Mr. D Paton, Headteacher.**

### **SUMMER UNIFORM**

During the Summer Term until the end of the Autumn 1st Half Term, the following may be worn if the children wish: grey tailored shorts, plain white shirt / blouse or polo shirt (short-sleeved) or green & white summer dress with long or short white socks. To complement our uniform we require all children to wear sensible dark coloured shoes, preferably black. We believe that it is dangerous for children to wear shoes that have platform soles, high heels, or flimsy footwear such as sandals, so we do not allow children to wear such shoes in our school.

### **SCHOOL MEALS**

Our new school meal service provider started this week and the children are really enjoying the new meal options. Please see later in the newsletter for further information and menu choices. School meals will need to be booked and chosen in advance, including for KS1 children who receive universal free school meals. There will be a slight increase in cost to £2.90 per meal. Please book your child's school meal using the school booking system.

### **PTFA MEETING - MONDAY 22ND APRIL - 5.30PM**

Please feel free to come and join us at our next PTFA meeting on Monday 22nd April at 5.30pm in Mr Hawkins classroom. During this meeting we will be discussing our forthcoming Summer Fayre and we welcome input and support from our school community. We look forward to seeing you there!

### **LONDON MARATHON - GOOD LUCK MISS BARRETT!**

We want to wish Miss Barrett lots of luck as she completes the London Marathon this Sunday. She has been training really hard this year in preparation and displays all of the values of a true Lunt's Heather. She is running to raise money for Bowel Cancer UK and if you would like to sponsor her she would really appreciate it. See later in the newsletter for further information.

### **WEDNESDAY 24TH APRIL - THE GREAT BIG DANCE OFF COMPETITION**

Children from our school dance club will be participating in 'The Great Big Dance Off Competition' on Wednesday 24th April at Parr Hall Warrington between 3 and 5pm. The children will leave school at 12.15pm, so will require a packed lunch to eat before leaving school. Your child should be collected from the Parr Hall at 5pm.

Dear Parents and Carers,

## After School Activities – Summer Term

During Summer 1<sup>st</sup> Half Term after school clubs will run from the week beginning **Monday 22<sup>nd</sup> April up until and including the week commencing 20<sup>th</sup> May**. The same clubs will continue into the Summer 2<sup>nd</sup> Half Term, running from **Monday 10<sup>th</sup> June up until and including the week commencing 8<sup>th</sup> July**.

Please discuss the available clubs with your child prior to signing up as we have found on a growing number of occasions that children are reluctant to participate in the club activities when they have not chosen them themselves. It is expected that those children allocated places will make a **commitment** to attend, as places are limited for many activities and some children may not have been allocated a place. **If a club does not have enough children sign up the club will be cancelled and we will offer your child a place on a different club that has availability.**

**Each club is limited to 25 pupils with the exception of the Year 6 revision club, which has no limit. Children in Year 6 can attend the revision club and a second club of their choice.**

**If in exceptional circumstances your child is unable to attend an activity the school office must be contacted to avoid unnecessary concern that occurs when children have been in school and do not turn up for an after-school club often run by a different teacher that is giving up their time to offer a club and is sometimes not your child's class teacher.**

Children attending a sporting after-school club should bring an appropriate change of clothes to avoid wearing their school P.E. kit. If the club is on your child's PE day they do not need to bring a change of clothes...

**The clubs will go live to book 6pm on Friday 22<sup>nd</sup> March. Each child can only pick one club (if booking Year 6 revision club this is not included in their 1 club allocation). If the clubs have spaces, we will then re-open them next week for the children to choose more than one club on Monday 25<sup>th</sup> March at 6pm.**

The clubs available are:

### KS1

Lunt's Heath Choir – Monday

KS1 Taekwondo – Wednesday (paid for club)

Please complete their preferences via the School Gateway by the morning of Monday 25<sup>th</sup> March.

Requests after this date will not be acknowledged. **Please keep these dates in your diary. ALL clubs will run straight after school until 4:15pm. This is to ease collection for parents with children in both KS1 and KS2 clubs. ALL children will be collected from the junior playground by an adult.**

The clubs are not weather dependent therefore you will be informed directly if they are to be cancelled for any reason. If a sports club has to be changed due to bad weather it will become an indoor club using ipads/ links to the sport or an indoor club alternative if numbers allow.

Yours sincerely,  
Miss McLindon and Miss Fazackerley

# LONDON MARATHON

Miss Barrett has been hard at work training over the last 16 weeks and is running the London Marathon on Sunday with her future sister in law Louise. The most Miss Barrett has ever run before is a 10k for the first time last year. She has been working really hard putting all of the training in at the weekend and needs all the support and motivation we can give her. Miss Barrett is raising money for Bowel Cancer UK. If you would like to donate, scan the QR code.

She is very grateful for any support. Good luck Miss Barrett! We look forward to seeing her with her medal next week.

We are asking for parent nominations of pupils who have demonstrated one or more of our Lunt's Heath Values at home:

- Ambition
- Enterprise
- Inner-Resilience
- Collaboration
- Understanding

We love to hear about how our children fulfil our school values in their everyday lives. Here are this week's Community Value Award winners:

**Francis for showing Ambition and Inner Resilience. As a true Lunts - Heather, we wanted to applaud Francis and the ambition and inner resilience he demonstrated to complete a gruelling 17km bike ride over Easter! The Hawkshead Moor trail in the Lake District, is a circular loop which navigates the west of Grizedale Forest and at over 11 miles takes most adults 2.5 hours to complete. Francis, assisted by his Dad, managed to complete in around 4.5 hours!**

**With the majority of the trail around the forest consisting of some long uphill stints, there were some times of pain and frustration but, the fun downhill certainly made up for it.**

**Although his legs were very tired he was extremely pleased with his accomplishment and we are very proud of him.**

## Newsletter

Welcome back to our third and final term in Reception! We have had such a busy week but it has been lots of fun and the children have settled extremely well.

### ‘Why does a spider need a web?’

“Why does a spider need a web?” Our Big Question this week has been ‘Why does a spider need a web?’ We have enjoyed the story of ‘The Very Busy Spider’ by Eric Carle where we met a spider who worked hard all day long to make her web. We have learnt that spiders are arachnids and that they even make their own by spinning a web to catch their food. We discussed the term ‘habitat’ and what it meant and considered the different habitats a range of mini-beasts could be found in.

### Mathematics

In Maths this week the children have been learning how to count on to add rather than counting all objects from the two groups. We have done this in lots of different practical ways such as counting on from 5 using our fingers, using ten frames and counters and on a number line.

### Reading

You may have noticed some new reading material in your child’s book bag this week as children have been placed in new phonics groups following our latest progress check. Please do record any comments in your child’s reading diary each time you read at home with them. We do value your feedback on how they are getting on at home and review your comments when we change their books- thank you.

### Snack Money

As we enter into the Summer Term, we are asking for a £6 contribution for the term to the snack that we offer the children on a daily basis. During the Summer Term, this will be extended to give the children the opportunity to cook and bake. Contributions of £6 per child can be made via the school gateway. Thank you to those of you who have already made a contribution so far.

Thank you for your continued support.  
We hope you have a fantastic weekend! The EYFS Team

# PTFA COMEBACK CATCH UP

## Comeback Catch Up

After a lovely 2 weeks off for Easter break we wanted to provide the children with a moments pause in their first day day back, to stop, have a drink and snack and catch up with their friends!

### PTFA PROVIDE THE DRINKS

We will be providing the juice in our newly purchased reusable cups!

### SCHOOL PROVIDE THE SPACE

The teachers will be taking the time to pause for a break in their usual day and allow the children the space to catch up!

### PARENTS PROVIDE THE SNACK

Please send your child in with a small snack (like you would on Fridays) to have while catching up!

# SCHOOL COUNCIL OPAL GYM EQUIPMENT

This week, our new gym equipment has been installed, ready for the children to start using from Monday.

The equipment is part of our OPAL scheme to develop the playtime opportunities for our children. The gym equipment was requested and selected by our school council following consultations with their classes.

# CLASS AMBASSADORS

## RL

Working hard to complete equations independently.

## RH

This week we had our first lesson using the Rhythm Sticks with Claire.

# CLASS AMBASSADORS

## 1L

In Science we planted sunflower seeds. We had a plant pot, soil and a seed and we put the seed in the pot of soil. It needs water and sun to grow.

## 1H

In Science, we planted sunflower seeds! We are looking after them and are excited to see them grow!

# CLASS AMBASSADORS 2L

In our first History lesson this week, we have solved some clues to find out about our new topic the Victorians. We discovered lots of facts about Queen Victoria and key dates that were important to her.

## 2H

In History we had to find the answer to clues to work out who we were going to be learning about. We had so much fun!

# CLASS AMBASSADORS 3L

Our ambassadors decided that our amazing trip to Port Sunlight was the obvious highlight of the week. We became scientists, made our own soap, and got to see the wonderful village.

## 3H

This week we started our investigation on what happens to flowering plants if they have no leaves. We are going to observe our plants over 6 weeks and we can't wait to see if there are any changes.

# CLASS AMBASSADORS 4L

This week we have been learning about decimals in Maths and have been making use of our maths packs by using counters to make mixed decimal numbers up to hundredths!

## 4H

We have been having fun moving and learning in our math's lessons. We think it helps us to remember when we're being active.

# CLASS AMBASSADORS 5L

In History this week we used our collaboration skills to study an authentic Mayan calendar. This helped us to develop a further understanding of how early civilisations influenced the way we live today. It was amazing to use artefacts to improve our knowledge!

# 5H

This week we started our new topic of rounders in PE. We learnt how to catch a ball in line with our noses and all the techniques for throwing over arm and under arm.

# CLASS AMBASSADORS 6L

This week, we started to create our own 'Dancing through the Decades' routines. In our first lesson, we focused on the 1920s/30s.

# 6H

## YEAR 6 POETRY BUZZ COMPETITION

During the Spring Term, the children in Year 6 worked with local poet Paul Delaney to create their own poems. Two children from Year 6 won this competition and went to represent Lunt's Heath at the Poetry Buzz competition performing their poem at St Paul's Church. They were joined by the winner of the poetry book design winner at this event.

## YEAR 3 - PORT SUNLIGHT VISIT

On Tuesday, the children in Year 3 visited Port Sunlight.

This visit gave them the starting point for their new History topic, learning about the industrial revolution focusing on the Lever brand and how the workers were looked after in this industry through the creation of the village. During the visit the children learnt about their soap industry and created their own soaps. They had a fantastic day and can't wait to learn more.
