

# School Newsletter

Dear Parents and Carers,

Having reached the half-way point of the summer term it is surprising to note that the sun has yet to make its appearance; I genuinely hope it does not have to self-isolate much longer!!! Despite the autumnal feel of late the children have remained in good spirits which is encouraging to note and testament to the love and care given by all adults in their lives.

I wrote to you recently about our plans for easing some of the school's control measures in response to the coronavirus pandemic and news of the variants that are now spreading locally. It is my best hope that I will be in a position to welcome you back into the school building before I leave Lunt's Heath at the end of the school year. A shared school experience is an important part of our school and one we are dearly missing. However, with concerning news of a fresh outbreak in Crosby / Formby recently we are naturally treading cautiously.

With this in mind, and until the government release new guidance on or around the 21<sup>st</sup> June, I can not yet offer you any comforting news of how we plan to approach the remainder of the school year which will include our traditional run of end of year events and the children's transition arrangements. Whatever plans we do implement be rest assured we will do the best that we can with the resources and staff we have available, and something we believe is appropriate and considers the health and safety of all school users as a priority.

As always, we will keep you well informed when we know more, but in the meantime I thank you for your continued patience and understanding.

Kind regards,

A Williams, Headteacher

## ~ IMPORTANT ~

Lunt's Heath is a NUT FREE ENVIRONMENT because we have children and adults with severe nut allergies. Please ensure that any food products entering the school are entirely nut free, in particular packed lunch items and sweets offered as birthday treats.

***Appreciate, Aspire, Achieve***
