## What is the Sensory Light Room?

The Sensory Light Room is a multi-sensory play space full of stimulating and interactive resources. It has been recently re-furnished with funding by our partner charity, Dreams Come True to include a bubble tube, Touch Screen Wave Table, Bluetooth sound system, Fiber-optic and UV lighting and more.

## Who can use the room?

Any child aged 0-19 who is registered with Halton Children's Centres may use the room with their parent, carer or any supporting professional. This includes support workers, health workers, foster parents, childminders or social workers.

The room is available for use by children of all ages and abilities including children with disabilities or complex needs. The room is accessible for wheelchair users.

The room is suitable for use by individual families or small groups of up to 6, depending on the size / ability of each person.
