

What? (Key Knowledge)

Judaism—why might some people put their trust in God?

This investigation enables pupils to examine the Jewish belief in their special relationship with God. The content focus is on God, Torah and The People and The Land. Opportunities are provided to explore special celebrations and what they indicate about this relationship and to make links to pupils' response to shared celebrations in their lives.

Key knowledge

Jewish people believe in one God.

Jewish people believe God keeps promises.

Jewish people believe that they need to trust in God.

Jewish people celebrate Sukkot to remember the time the Jewish people spent in the desert.

What? (Key Vocabulary)
