News

Friday 25th November 2022

"This week, we have seen the start of the World Cup in Qatar and the children used the opportunity to enjoy the game and celebrate with their friends.

Collectively spending time together is such a powerful thing to be able to do and something that we'll do more often as the year progresses. Next week will see the beginning of Advent and the school's build up to the Christmas holiday period. We will begin with gathering at St Luke's on Tuesday evening and to have an enjoyable evening together.

Kind regards, Mr. D Paton."

ROADWORKS UPDATE - WEDGEWOOD DRIVE

We have now been informed that they are instead expecting to start the roadworks on **Wedgewood Drive on Monday 28th November** for the next 5 weeks. Unfortunately this will undoubtedly cause chaos on the roads around school. Therefore we strongly recommend that you walk to school. To try and alleviate this the school gates will open from 8.35am so that there is a longer window for children to enter school. We will keep you informed of any changes as soon as we are informed. We thank you in advance for your support and patience!

Our rehearsals are now happening regularly as we continue to practise for our Christmas show- A Snowman at Sunset. Samples of the songs can be heard on the Out of the Ark if the children fancy a sing while at home! Communications went out this week to notify you that we will now have a dress rehearsal on Monday 12th December so please send costumes into school on that day. We will send the children home in them so they can arrive dressed for their first performance to relative on the morning of Tuesday 13th December. Please use the Parent's Evening booking system to book your tickets.

DRESSING THE TREE

Dressing the Tree - 30.11.22

Parents of Reception children are invited to come along and enjoy a festive afternoon of making Christmas tree decorations with your children. We will then use these to decorate our school Christmas tree. The Parent's Evening Booking system can be used to book your place.

MATHEMATICS

In Maths this week we have continued to deepen our understanding of numbers 1-5 by exploring the different bonds within five. We have used a range of practical apparatus to represent before exploring how these can be shown using simple equations e.g. $2+3=5$.

DRAWING CLUB

We have enjoyed immersing ourselves in the traditional tale of The Three Little Pigs this week. The children have produced some great work during Drawing Club and we have loved 'making the magic happen' using our pens to make mystery marks!

This is a very busy time of year in the run up to the Christmas holidays so if you need clarification with anything, please do not hesitate to speak to a member of the team.

Thank you

Multiplication Challenge

Children in Year 4 need to complete a Multiplication Tables Check during the Summer 2nd Half Term.

Multiplication facts are needed in virtually all other areas of Mathematics therefore the more confidently children can recall these facts the easier they will find their Mathematics lessons as a barrier to learning is removed.

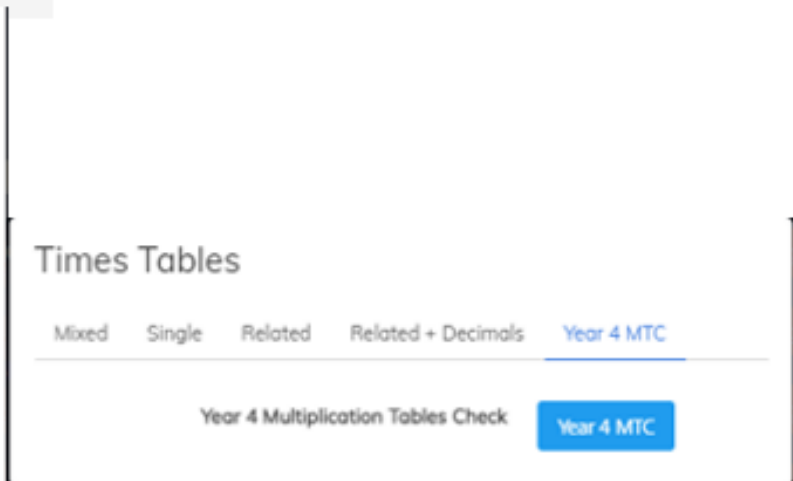

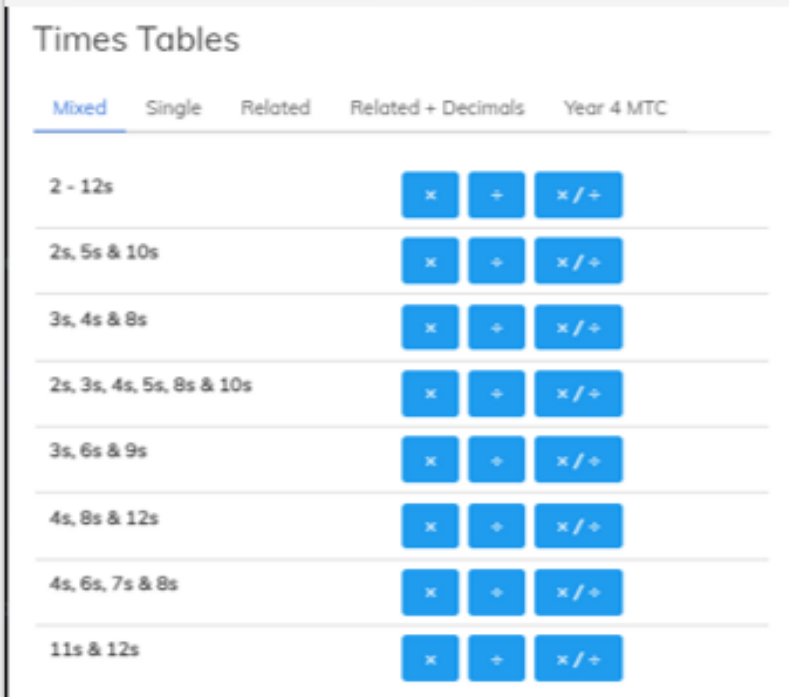

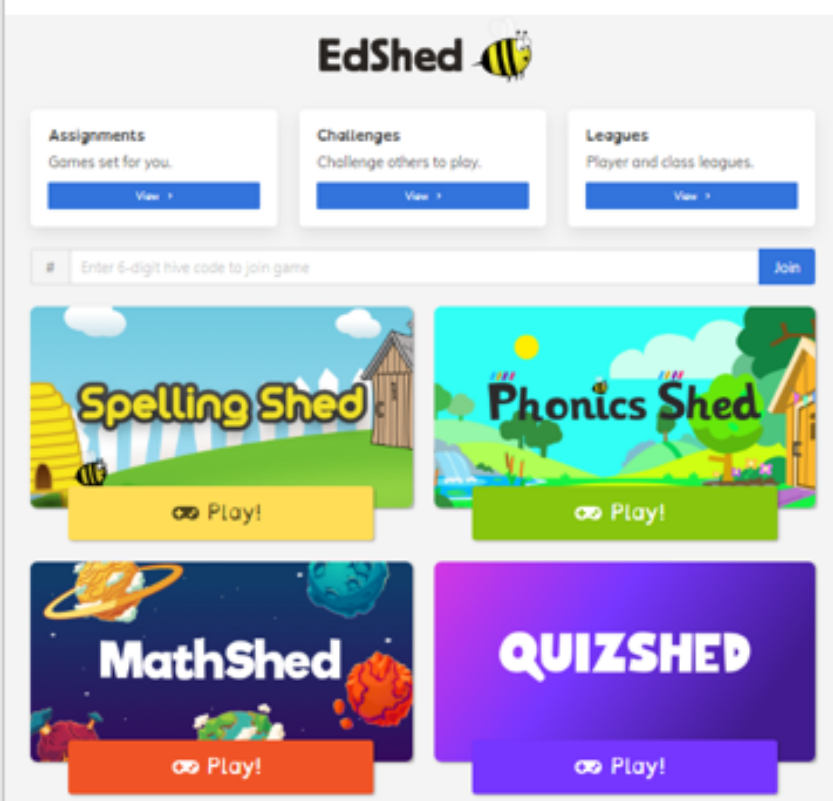

TO SUPPORT YEAR 4 IN THEIR QUEST TO RAPIDLY RECALL THEIR MULTIPLICATION FACTS WE WILL BE HOLDING A KS2 MULTIPLICATION CHALLENGE OVER THE NEXT THREE WEEKS.

PLEASE ENCOURAGE YOUR CHILD TO USE MATHS SHED ON A NIGHTLY BASIS TO PRACTICE THEIR MULTIPLICATION TABLES.

This can be found on Maths Shed. Click on Times Tables – your child can practice specific times tables that they do not know or attempt to improve their rapid recall by selecting Y4 MTC.

ON A FRIDAY WE WILL HAVE AN INDIVIDUAL WINNER FROM EACH CLASS FOR THE CHILD THAT HAS THE HIGHEST MATHS SHED SCORE AND A KS2 CLASS WINNER.

WE ARE SEARCHING FOR OUR KS2 MULTIPLICATION CHAMPION FOR KS2!

Spelling and Phonics Shed

Just a reminder that the Lunt's Heath PTA have funded a subscription for every child to not only Maths Shed but the platform which also includes Spelling and Phonics Shed.

During lockdown we have found that the children's spelling ability was greatly impacted as it was difficult to teach and test spellings virtually.

Spelling shed allows the children to practice their spellings for their age phase in a fun and interactive way through games.

Encourage your child to log into their account, select Spelling Shed or Phonics Shed. Choose their age phase and then they can choose the game type and level of challenge.
